

Support cross-cultural understanding in our community by donating an item for our Desert Dash at the FIUTS Blue Marble Bash!

The Foundation for International Understanding Through Students (FIUTS) is a nonprofit organization on the University of Washington campus that builds international understanding, respect for differences, and global student leadership. Founded in 1948, FIUTS has been inspiring dialogue and celebrating cultural diversity for 68 years.

The FIUTS Blue Marble Bash will raise funds to support programs that engage student leaders, promote international awareness, and build a stronger global community in our region. The event is expected to draw over 150 passionate supporters and include 25 University of Washington student leaders from around the world.
