

# Resource List from the FIUTS International Career & Internship Workshop

Thank you for attending this workshop. Here is a list of resources that we have compiled to help you search for your international career. The amount of information on international careers is by no means limited to what is on this handout. Our intention is to provide you with a starting point for your searches. By providing these resources, FIUTS and the University of Washington in no way endorse specific institutions or programs. Good luck in finding the perfect fit for your international endeavors!

## Resources for Locating International Jobs
