

## Facilitator Application Form

FIUTS Facilitators are students who volunteer for FIUTS programs and get experience in leadership, planning and team work, and problem-solving. Facilitators play an important role in FIUTS International Student Orientation, Events & Activities, special event planning, and Education Outreach Programs. As a facilitator, you can learn new skills, make friends from around the world, and support FIUTS' mission to inspire cross-cultural friendship and understanding on campus and in our community.

NAME (First/Middle/Last)	Today's Date:
Address:	Home Phone:
